Information regarding return of rental car

- Outside office opening hours the front gate will be closed
- Renter's phone number must be included in the contract, if you wish to return the car outside office opening hours
- If the number is registered on the contract, the gate can be opened by calling the number +45 30 53 55 44 from the same number, as registered in the contract
- Please note that the gate will NOT open, if caller ID is set to anonymous/blocked on your device
- If this is the case – or the extra driver added on the contract is returning the car, it is legal to park at Firskovvej (please refer to map below)
- Park the car at any free parking space, but please refrain from parking in front of the gate
- Return the key in the key deposit box, located to the right of the office entrance
- If there are any problems opening the gate, please call +45 32 50 30 90
